► EXPERIENCE

Optimal Assessment, January 2023 – Present, Syracuse, NY

Designer

- Created educational technology platform to help professors plan courses for diverse learning styles
- Won first place and \$4000 in business pitch competition working with a partner
- Conducted user research through interviews, surveys, usability testing, and secondary research
- Designed user interface for a minimum viable product and created design system using Figma

Innovate Orange, September 2022 – Present, Syracuse, NY

Designer

- Conducted a brand redesign for the CuseHacks 2023 event
- Redesigned CuseHacks website using Figma for future implementation
- Designed new style guide, logo, posters, and social media posts

TNH Student Advertising Agency, September 2021 – May 2023, Syracuse, NY

Associate Creative Director

- Led a team of four creatives in creating an advertising campaign for a restaurant and won best copywriting out of all the accounts
- Gave actionable design feedback to ensure consistent branding and quality across all deliverables
- Designed a series of social media posts for the client using Adobe Illustrator

Creative Team Member

- Designed two infographics for an advertising campaign for a nonprofit organization and was one of three "Standout Creative Members"

IBM Accelerate Program, June 2022 – August 2022, Remote

Participant

- Participated in an 8-week professional development program in the design track
- Learned how to create human-centered designs using user experience design (UX design), visual design, and design research to fit user and business needs
- Interviewed more than 15 IBM employees regarding design and related fields and won an award for having the second-most networking conversations in the program
